Ben Lomand Communications, LLC Ability to Function in Emergency Situations

Ben Lomand Communications, LLC (“Company”) hereby certifies that it is able to function in emergency situations as set forth in Code of Federal Regulations, Title 47, Part 54, Subpart C, §54.202(a)(2)¹ and Rules of the Tennessee Regulatory Authority, Chapter 1220-4-2. The Company’s network is designed to remain functional in emergency situations without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required by Section 54.202(a)(2). The Company can change call routing translations as needed to reroute traffic around damaged facilities. Changing call routing translations will also allow the Company to manage traffic spikes throughout its network, as emergency situations require.

In accordance with the Rules of Tennessee Regulatory Authority, Chapter 1220-4-2, 1220-4-2-.23 Emergency Operation, the Company’s central offices have adequate provision for emergency power. Specifically, each central office building is supplied with standby generators and battery back-up that enable the central office to keep running until power is restored so long as fuel is available, or until system changes are made to reroute traffic.

¹ Section 54.202(a)(2) requires ETCs that are designated by the Commission to “demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations.”

Established by the FCC to ensure that telephone service is available and affordable for low income telephone subscribers. Administered by the TN Regulatory Authority, the Lifeline program reduces the monthly local service portion of your telephone bill.

Lifeline does not assist with the long distance portion of your bill or with special features such as Caller ID or Call Waiting.

Two Ways to Apply for Lifeline:

If you receive one of any of the available public assistance programs (see list on front), call Ben Lomand Connect to provide you with an application.

OR

If you "DO NOT" receive public assistance, you may qualify if your total household gross monthly income is equal or less than the amounts found in the Gross Monthly Income table on the TRA website at
